

RECRUITMENT OPEN HOUSE

GREATER VICTORIA
2030
DISTRICT®

Join peers, build leadership, and take action. This session will feature presentations on the benefits and requirements of joining the Greater Victoria 2030 District, provide information on **upcoming regulations** that will impact your business, and profile **incentives and new efficiency and fuel-switching opportunities** that you can access.

Details

Date: Wednesday, February 21, 2024

Time: 10 am-noon

Location: City Hall Antechamber, City of Victoria

About the District

The 2030 District helps property managers and building owners reach energy efficiency and greenhouse gas emission reduction goals. Our 2030 District is hosted by BOMA BC, with local building industry leaders uniting around a shared vision for sustainability and economic growth, and aligning with local government to achieve significant energy and emissions reductions.
